

IF YOU HAVE A CAR...

Why not become one of our volunteer drivers

Access²Healthcare

is a transport scheme for people who need to visit their doctor or nurse. It is operated by volunteer drivers, using their own cars.

Choose your own days and hours. Work as little or as much as you like, no obligation. Mileage paid for all journeys. For more information, visit our website or capture the QR code.

'Access to Healthcare' is funded by East Sussex County Council and supported by Wealden District Council.
